

**QUALIFICATIONS  
OF  
WILLIAM S. WOOD II**

I have been actively engaged in the sale, rental, financing and appraisal of Real Estate since 1965, as a salesman, broker, manager and owner of **Harry F. Taylor Co., Realtors**, in West Chester, Chester County, Pennsylvania. In 1995 the Company name was changed to **WILLIAM WOOD CO.** In April 2000 John Strickland II became a partner. The Partnership Employer TAX ID is #69-0009 099.

I am a graduate of Colgate University, and have taken Pennsylvania State College Extension courses in Real Estate Sales, Appraisal, Management, Law and Financing, and Pennsylvania Realtors Institute courses on various aspects of Real Estate Appraising.

On June 30, 1992, I was designated by the State of Pennsylvania as a **Certified General Appraiser (GA-000740-L)**.

I have been employed by the County of Chester, townships and boroughs, local and city banks, attorneys, Federal and Bankruptcy Courts, corporations, the Chester County Redevelopment Authority, local Sewer and Water Authorities and individuals as a Real Estate Appraiser.

The scope of my appraisal work has been wide, requiring all approaches to value and for many purposes. These include gift of easement appraisals, industrial and commercial appraisals, appraisals in condemnation matters, both for condemnee and the condemnor, transfer appraisals for third party transfer companies re-use appraisals and appraisals for estate purposes. Properties appraised have ranged from large farms and undeveloped tracts, through warehouses, stores, and industrial plants, to all manner of residential property. I have testified, as needed, as an expert witness in support of my appraisals.

I have also lectured on the appraisal of Conservation Easements.

Since 1976, I have personally averaged in excess of 50 fee appraisals per year and supervised the production of an additional 100.

My professional affiliations include:

National Association of Independent Fee Appraisers-Senior Appraiser (IFAS)  
Suburban West Realtors Association  
Pennsylvania State Board of Realtors  
National Association of Real Estate Boards  
Appraisal Chapter of Southeastern Pennsylvania (President – 1977)

**FOR IMMEDIATE RELEASE**

**Michael Martorana EARNS PROFESSIONAL CERTIFICATION**

Savoy, IL -- Michael Martorana of Coatesville, PA recently demonstrated professional competency by successfully completing the CERTIFIED ARBORIST examination administered through the International Society of Arboriculture (ISA) and the local Chapter of the ISA.

The purpose of the ISA Certification Program is to improve the level of knowledge and standard of practice within the tree care profession. It is designed to assist the public in identifying those professionals in arboriculture who have demonstrated, through a professionally developed examination and education program, a thorough knowledge of tree care practices. The ISA program tests and certifies an individual's knowledge in the field of Arboriculture.

The International Society of Arboriculture is a scientific and educational organization devoted to the dissemination of information in the care and preservation of shade and ornamental trees.

ISA's Certification Program is designed to promote the professional development of those involved in the field of arboriculture or tree care. When contracting for your tree care needs, contact individuals who are certified through this voluntary program.
